OVEC CCR Rule Compliance Data and Information:

**Re: Ohio Valley Electric Corporation
Kyger Creek Station
Legacy Surface Impoundment Applicability**

In regards to provisions found within the final 'Hazardous and Solid Waste Management System: Disposal of Coal Combustion Residuals From Electric Utilities; Legacy CCR Surface Impoundments' rule, the Ohio Valley Electric Corporation (OVEC) has evaluated the definition of a legacy surface impoundment as described within the rule, and has concluded that no legacy surface impoundments are present at OVEC's Kyger Creek Station.

If you have any questions or require any additional information, please call me at (740) 897-7780.

Sincerely,

Zachary S. Hammond
